I certify that [First name, MI, Last name] has received and logged the required flight time/training of [§ 61.39\(a\)](#) in preparation for the practical test within 2 calendar-months preceding the date of the test *and* has satisfactory knowledge of the subject areas in which he/she was shown to be deficient by the FAA airman knowledge test report. I have determined he/she is prepared for the (category/class certificate or rating) practical test.

For a failed tests: For a knowledge test, the instructor may complete the endorsement in the space provided at the bottom of the applicant's airman knowledge test. For another practical test, logged training, a [61.49 endorsement](#) in the logbook, and a new IACRA application are all required!

I certify that [First name, MI, Last name] has received the additional (flight and/or ground, as appropriate) training as required by § 61.49. I have determined that he/she is prepared for the (name of) knowledge/practical test.

This is not a *complete* listing of all possible endorsements. Some have not been listed for the simple reason that there is no common practical use for them. I hope this helps! Visit the [FAA Flight Test Homepage](#) for complete guidance on flight testing.
